

Approved by Rector's directive No 14 of 10.04.2023

In force from: the 2024/2025 academic year

Establishment of the admission calendar for I and II level studies in the 2024/2025 academic year

Based on subsection 2 (2) of Regulation No 1 of 15 February 2022 of the Senate of Tallinn University of Technology "Requirements for the Admission to the First and Second Level of Studies at Tallinn University of Technology",

1. I have established the admission calendar for I and level II studies in the 2024/2025 academic year as follows:

Submission of applications and other documents required for admission to study programmes taught in English by foreign nationals via the international students admission information system

DreamApply

1 February – 1 April	by third-country nationals
1 February – 1 May	by the citizens of the OECD member states, Ukraine and Georgia and third-country nationals, who have a legal basis for staying in Estonia
1 February – 1 June	by the citizens of the EU/EEA member states and Switzerland
1 February – 1 August	to study programmes of the School of Business and Governance by the citizens of Finland, Latvia and Lithuania

Admission tests for foreign nationals applying via DreamApply will take place during the admission period by agreement with the programme director.

Submission of applications and other documents required for admission by permanent residents of Estonia and to study programmes taught in Estonian by foreign nationals:

1 March– 3 July at 12.00 (midday)	submission of applications via the admission information system SAIS
28 June– 3 July at 12.00 (midday)	reception of applications and documents in TalTech on site

Admission tests for persons applying via the admission information system SAIS

1 March– 25 June at 12.00 (midday)	registration for the mathematics and Estonian language admission tests for applicants pursuing I level studies
1 – 7 April	1st period of admission tests, registration in the admission information system SAIS
13 – 19 May	2nd period of admission tests, registration in the admission information system SAIS
25 June	mathematics counselling for the applicants who have applied for the admission test by the deadline
26 June	admission test in mathematics for the applicants who have applied for the admission test by the deadline
27 June	admission test in the Estonian language for the applicants who have applied for the admission test by the deadline
5 – 9 July	3rd period of admission tests, registration in the admission information system SAIS

Study places*, matriculation, pre-week

1 February – 15 August	study places are offered to international applicants who have applied via DreamApply and meet the requirements
1 March – 11 July	in specialities with threshold-based admission, study places are offered to applicants who have applied via SAIS and meet the requirements
4 - 11 July	in specialities with admission limits set for the programmes, study places are offered to applicants who have applied via SAIS and meet the requirements
14 July	deadline for confirming the study place by the candidates who have been offered a study place via SAIS before 12 July
16 August	deadline for offering study places to applicants who have applied via SAIS and meet the requirements for filling vacant study places in specialities with admission limits set for the programmes**
14 – 23 August	matriculation of admitted applicants***
20 August	deadline for confirming the study place for international applicants who applied via DreamApply
26 August	beginning of the pre-week (incl. lectures introducing TalTech and the academic policies) for students admitted to daytime studies in bachelor's, integrated and professional higher education programmes for the 2024/2025 academic year

**If the graduation of an educational institution abroad takes place after 3 July 2024, the applicant who submitted the application and the required documents by the deadline and whose application status in the admission information system SAIS is "conditional admission" is offered a study place based on the submitted graduation certificate and the assessment of the ENIC/NARIC centre until 7 August 2024.*

***A candidate who has been offered a study place must confirm the study place by the deadline indicated in the notification sent via SAIS.*

**** Matriculation of international applicants to study programmes taught in English takes place until the deadline for submission of the semester's individual study plan, or, based on the dean's decision, until 15 September, except for the MVGN study programme, where matriculation can take place until 30 September.*

Additional admission to the Entrepreneurial Management MBA study programme

19 – 31 August	submission of applications and other documents required for admission by citizens of Finland, Latvia and Lithuania via the international students admission information system DreamApply and by permanent residents of Estonia via the admission information system SAIS
23 August – 4 September	the period during which the admission test takes place
4 September	study places are offered to applicants who meet the requirements
6 September	deadline for confirming the study place
30 September	deadline for matriculation of admitted applicants

2. The directive shall enter into force upon signature.
