

Approved by Resolution No 31 of 9 December 2025 of the Senate of Tallinn University of Technology (entry into force 15.12.2025)

Amended by Resolution No 20 of 16 June 2026 of the Senate of Tallinn University of Technology (entry into force 01.08.2026)

In force from: 01.08.2026

Tuition fee rates for first- and second-cycle students and external students in degree studies in the 2026/2027 academic year

1. Full-time students enrolled in study programmes taught in English, including students undertaking studies while on academic leave, shall pay the following semester fees during the nominal duration of their studies, regardless of the number of credit points declared:

	School	Study programme	Semester fee (€) for students enrolled between 2019/2020 and 2021/2022	Semester fee (€) for students enrolled in 2022/2023	Semester fee (€) for students enrolled in 2023/2024	Semester fee (€) for students enrolled in 2024/2025	Semester fee (€) for students enrolled in 2025/2026	Semester fee (€) for students enrolled in 2026/2027 or later
1.1	School of Business and Governance							
1.1.1		TVTB, HAJB, TVTM	1,700	1,900	2,100	TVTB 2350 HAJB 2100 TVTM 2350	2,500	2,500
1.1.2		HAJM	1,500	1,650	1,800	1800	2,300	2,300
1.1.3		HAGM	1,250	1,400	1,550	1700	1,900	1,900
1.1.4		MAEM	2,750 in the first three semesters of the nominal duration of studies and 1,650	3,000 in the first three semesters of the nominal duration of studies and 1,650	3,000 in the first three semesters of the nominal duration of studies and 1,650	3500	3,900	4,200

			in subsequent semesters	in subsequent semesters	in subsequent semesters			
1.2	School of Engineering		1,800	2,000	2,200	2,500	2,750	3,000
1.2.1		EAHM	-	-	3,000	3,000	3,000	3,000
1.3	School of Information Technologies		3,000	3,000	3,000	3,000	3,000	3,500
1.4	School of Science		1,800	2,000	-	-	-	-
1.5	Estonian Maritime Academy		-	-	3,000	3,000	3,000	3,000

Students from outside the European Union shall pay the tuition fees for two semesters before enrolment.

2. The following full-time students enrolled in study programmes taught in English are exempt from the semester fee:

2.1 citizens of one of a Member State of the European Union or permanent residents of Estonia who study at the School of Engineering, School of Information Technologies, School of Science or Estonian Maritime Academy;

2.2 citizens of a member country of the Organisation for Economic Cooperation and Development (OECD) or a Member States of the European Economic Area who were enrolled in the School of Engineering, School of Information Technologies or School of Science in the 2022/2023 academic year.

3. The following tuition fee rates per ECTS credit point shall apply to students enrolled in the 2019/2020 academic year or later who study part-time in study programmes taught in English, including those undertaking studies while on academic leave, and, after the end of the nominal duration of studies, to students who paid a semester fee during that period:

	School	Study programme	Tuition fee rate per ECTS credit point (€) for students enrolled between 2019/2020 and 2021/2022 (inclusive)	Tuition fee rate per ECTS credit point (€) for students enrolled in 2022/2023	Tuition fee rate per ECTS credit point (€) for students enrolled in 2023/2024	Tuition fee rate per ECTS credit point (€) for students enrolled in 2024/2025	Tuition fee rate per ECTS credit point (€) for students enrolled in 2025/2026	Tuition fee rate per ECTS credit point (€) for students enrolled in 2026/2027 or later
3.1	School of Business and Governance		60	70	80	90	100	100
3.1.1		MAEM	100	100	100	100	130	140

3.2	School of Engineering		60	70	80	90	100	100
3.3	School of Science		60	70	80	90	100	100
3.4	School of Information Technologies		100	100	100	100	100	120
3.5	Estonian Maritime Academy		-	-	100	100	100	100

4. The following tuition fee rates per ECTS credit point shall apply to students studying part-time in study programmes taught in Estonian or occupying self-funded study places, including those undertaking studies while on academic leave:

	School	Tuition fee rate
4.1	Study programmes of the School of Engineering Students enrolled in professional higher education studies before the 2017/18 academic year	60 58
4.2	Study programmes of the School of Business and Governance (excluding the study programmes Sustainability Governance (MAKM), Artificial Intelligence in Business (MAIM), Public Sector Innovation and e-Governance and Intellectual Property and Data Law ¹)	60
4.2.1	MAKM and MAIM study programmes of the School of Business and Governance	100
4.3	Study programmes of the School of Information Technologies	60
4.4	Study programmes of the School of Science	60
4.5	Study programmes of the Estonian Maritime Academy	60

5. The following tuition fee rates per ECTS credit point shall apply to students enrolled in the 2018/2019 academic year or earlier who study part-time in study programmes taught in English or have lost their entitlement to a tuition fee waiver scholarship, including those whose studies exceed the nominal duration of studies, or students occupying self-funded study places, including those undertaking studies while on academic leave:

	School	Tuition fee rate
5.1	Study programmes of the School of Engineering	60
5.2	Study programmes of the School of Business and Governance	60

¹In the international joint study programmes Public Sector Innovation and e-Governance and Intellectual Property and Data Law, tuition costs are covered and the tuition fees are settled between the universities in accordance with the consortium agreement entered into between the partner universities and the Erasmus Mundus agreement concluded between the European Commission and the consortium.

5.3	Study programmes of the School of Information Technologies: Students enrolled in the 2017/18 academic year or later Students enrolled before the 2017/18 academic year	100 60 ²
5.4	Study programmes of the School of Science	60
5.5	Study programmes of the Estonian Maritime Academy	-

6. The tuition fee rate per ECTS credit point for a graduation thesis or final exam for both students and external students is 50% of the corresponding rate for the relevant study programme of the School (excluding the joint study programmes Public Sector Innovation and e-Governance and Intellectual Property and Data Law):

6.1 the fee for a student's graduation thesis or final exam is calculated on the basis of the tuition fee rate applicable to the relevant study programme in the academic year in which the student was enrolled;

6.2 the fee for an external student's graduation thesis or final exam is calculated on the basis of the tuition fee rate for part-time studies in the relevant study programme applicable in the semester in which the graduation thesis is defended or the final exam is taken³;

6.3 in study programmes subject to a semester fee, the fee for the graduation thesis or final exam is included in the semester fee during the nominal duration of studies.

7. Full-time students studying free of charge in study programmes taught in Estonian or English, including students occupying study places funded by a tuition fee waiver scholarship and those specified in clause 2, who fail to complete the required cumulative study load shall pay a tuition fee of 50 euros per ECTS credit point for the credits by which they fall short of the nominal load, excluding credits allocated to a graduation thesis or final exam.

8. A full-time student enrolled in a study programme taught in Estonian on or after 1 August 2024 who discontinues their studies more than 70 days after the beginning of the semester shall pay a tuition fee of 50 euros per ECTS credit point for any credits from declared courses that remain unearned on the date of discontinuation. The date on which the student submits an application for exmatriculation at their own request in the study information system shall be deemed the date of discontinuation of studies.

9. A full-time student enrolled in a tuition-free study programme taught in English or occupying a study place funded by a tuition fee waiver scholarship on or after 1 August 2024 who discontinues their studies after the deadline for submitting their individual study plan for the semester shall pay a tuition fee of 50 euros per ECTS credit point for any credits from declared courses that remain unearned on the date of discontinuation. The date on which the student submits an application for exmatriculation at their own request in the study information system shall be deemed the date of discontinuation of studies.

10. The tuition fee rates laid down in this Resolution do not apply to foreign students who hold Ukrainian citizenship and were enrolled in the 2022/2023 academic year or earlier. These students shall study free of charge in all study programmes.

11. From 1 August 2026, the provisions of this Resolution governing the School of Engineering and its study programmes shall also apply to Kuressaare College and Virumaa College and to the study programmes they administer. [entry into force 01.08.2026]

²Applies only to part-time studies

³ A rate of 83 euros per ECTS credit point shall be used to calculate the tuition fee rate for the graduation thesis of an external student completing the Entrepreneurial Leadership, MBA study programme.
